AFTERWORD?! DICE?!

No! It's both!

The talk begins here.

Hi! This is the 4th volume! I wanted to make this volume absolutely sexy, so I'd be happy if you enjoyed it.

When rereading the manga I noticed how Shunpei turns more and more into a plush toy. It was fun because I've always wanted to draw a manga featuring a dog.

Now that I've drawn till volume 4, I've noticed how the love of the readers is divided between Fumi and Shunpei since they're such opposed characters.

Everyone who has no dice at home can copy this page or fold another page just like this one.

I always have to grin whenever I read things like

Since Fumi loves Shunpei so much, there's nothing one can do' or 'If Shunpei loves him it's okay if Fumi is his partner'...

I'll be happy to hear all your opinions!
